3. BUSINESS OF SPECIAL MEETING

3.1 Garbage Bin at Public Works Shop

There was discussion on the recent removal of the recyclable bins and household garbage bin located at the side of the Public Works Shop. An option should be given for the residents of Churchill a not everyone has the capabilities take their garbage to L5. There are several people who used the bins on a daily basis. There was further discussion that the bins were removed due to their unsightliness. Leaving the household garbage bin was discussed at a special meeting of council on July 13, 2011. It was agreed to leave the one bin until all of council could meet to discuss alternatives. If a decision gets changed, then it needs to be communicated to all of council. A tentative plan needs to be developed and a follow up meeting to finalize it prior to communicating any changes to the public.

ACTION: Administration to draft a public notice detailing the changes to the garbage pickup schedule and bring forth to council to review and approve prior to mailing out to the community.
